

WELCOME

to the
2018 Jumpers & Jazz in July Festival
Grand Automobile Display

Organisers of Jumpers & Jazz in July invite you to escape the metro hustle and bustle and take a scenic drive in the country... perhaps a club run? And then lose yourself in some cool jazz amid the hospitality of a welcoming community who are dressing their CBD trees in warm, woolly jumpers for your winter entertainment and enjoyment.

The main street of the CBD will be closed to facilitate a static display of veteran, vintage and classic vehicles including classic motorcycles to offer something different on the first weekend of the festival's 10-day program, also building on Warwick's reputation as the "Horsepower Capital of Australia".

The Grand Automobile Display will be conducted on **Sunday July 22nd 2018**, marshalling to start at **8:00am** sharp in **Queens Park, Warwick**. The static display will kick start for the public from **9:30 am** in Palmerin St, ending at **2:30pm**. You are invited to come to our region and enjoy brunch at one of Warwick's many cafés, browse the art and craft displays, and enjoy some cool jazz in the street. Please visit www.jumpersandjazz.com for a full program, available in May.

We would be delighted if members of your car club would consider participating in this quirky Queensland winter festival as we'd love to match your enthusiasm for automobiles with our growing regional event. The Festival Organisers are happy to provide more details regarding marshalling of vehicles, layout of the display and final event information closer to the event. We look forward to hearing from you soon.
